SAFETY.

- FASTER THAN SYRINGES
- UNIVERSAL FITTING
- BUILT-IN SHIELD
- KID FRIENDLY
- NEEDLESAFE

TWIST SPLASHCAP  
ON ANY BOTTLE  
AND SQUEEZE !

THE **SPLASHCAP**  
WOUND IRRIGATION BOTTLE SHIELD

NARROW FIT SHIELD TO CONTAIN  
SPATTER OVER BODY RIDGES  
WHERE LACERATIONS OCCUR

THE **SPLASHCAP** IS **FASTER** AND MORE **KID FRIENDLY** TO USE THAN TEDIOUS SYRINGE SHIELDS. THE **SPLASHCAP** HAS A **BUILT-IN SHIELD** SO THAT IT IS **SAFER** THAN HOLE PUNCHED BOTTLES THAT DANGEROUSLY SPLATTER STAFF AND CREATE A NEEDLESTICK RISK. THE **SPLASHCAP** PROVIDES **QUICKER**, MORE EFFICIENT LACERATION TREATMENT. THERE IS **NO JACHO** RELABELING REQUIRED. THE NARROW CYLINDRICAL DESIGN BETTER FITS BODY RIDGES AND BETTER **CONTAINS SPLATTER** THAN WIDER IRRIGATION SHIELDS. ENJOY LESS DEMANDS ON STAFF, LESS EQUIPMENT, **FASTER TURNAROUND**. THE **SPLASHCAP**'S UNIVERSAL FITTING ON ALL STANDARD BOTTLES MAKES IT MUCH **MORE CONVENIENT** TO USE, STORE, AND PURCHASE. **SAVE** BY USING YOUR OWN, ALREADY STOCKED IRRIGATION BOTTLES. AT ABOUT **ONE HALF** THE COST OF THE COMPETITOR'S BRAND, THE **SPLASHCAP** IS ALSO MUCH **MORE ECONOMICAL**. IT IS EVEN **FUN** TO USE!
